

**SCIENCE | BUSINESS<sup>®</sup>**

# **MEDIA KIT**

## **REACH EUROPE'S INNOVATION COMMUNITY**

- A unique audience - the most influential people in Europe's innovation community
- The leading media channel reporting on Horizon Europe
- An independent platform to air new approaches in EU and international R&I policies

# WHO WE ARE

## LEADING R&I POLICY COVERAGE

The Science|Business news service reaches key members of Europe's research and innovation community. We provide expert knowledge, the latest intelligence, and the inside track to research and innovation developments in Brussels and beyond. Our editors include former editors of Nature, New Scientist and The Wall Street Journal.

## WHO READS SCIENCE|BUSINESS

- Senior decision makers and policy advisers across the European Commission
- Members of the European Parliament – on the industry & research, internal market, environment and other committees
- Technology and R&D executives of global companies
- Presidents of leading research and technology universities across Europe
- Key staff in national ministries and innovation agencies
- International investors
- Specialised media

## TESTIMONIALS

*"Science|Business brings a modern approach towards innovation."*

**Jerzy Buzek**, Member and former President of the European Parliament; former Chair of the ITRE Committee

*"Trinity values the Network's ability to bring leaders in research & industry together to further innovation policy."*

**Patrick Prendergast**, Provost, Trinity College Dublin

*"We value our strategic cooperation with Science|Business as it permits the deepening and expansion of especially our European ties."*

**Naledi Pandor**, Minister of Higher Education and Training, South Africa

*"We have joined the S|B Healthy Measures multi-stakeholder communications platform as we believe that sustainable healthcare systems across Europe will need strong collaboration among trusted partners and key stakeholders."*

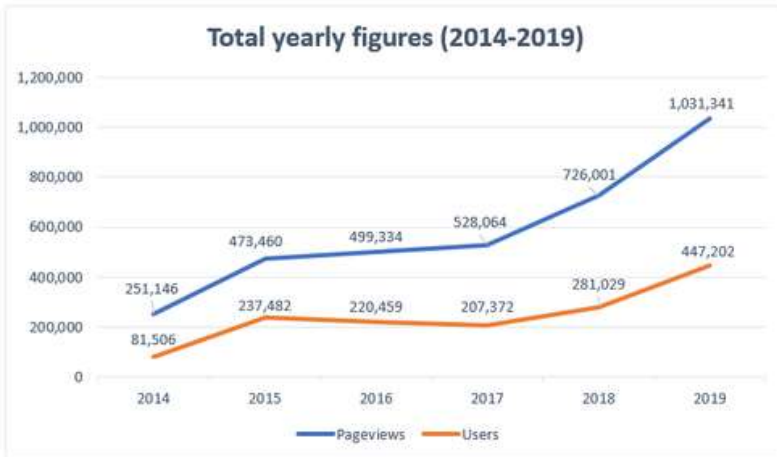

**Corinne Le Goff**, Senior Vice President, Amgen Europe
